

WHITCHURCH VILLAGE NEWS

I would like to give a massive thank you to all the volunteers who have supported the community during this pandemic. We have a number of volunteers who have supported the vulnerable and self-isolating during this challenging time.

During this time we have also had a major refurbishment of our play park, more details below.

Nick Kirk, Chairman of Whitchurch Village Council.

Refurbished Play park

March 26th 2021 saw the opening of our newly refurbished play park. The previous equipment was becoming outdated and expensive to maintain. With money received from Section 106 funds we were able to totally revamp the play area with an addition of a Multi-Use Games Area, table tennis table and cycle rack. After consulting with residents our focus was on maximum play value, inclusivity and to benefit the whole of the local community.

We are encouraging visitors to walk and cycle as car parking at the site is limited and time restricted. If you must drive please ensure you park safely and if the park is busy consider visiting at quieter time.

Despite challenges of the pandemic and adverse weather the finished results have proved very popular with users and lots of positive feedback has been received.

New Councillor

We are delighted to announce that Joseph Fox has been co-opted onto the Village Council. He is one of the youngest councillors to join the team. We look forward to him adding a new dimension to our work in the village.

We would also like to thank Sue and Richard Dean of **The Music Box** for providing the community with local groceries during the pandemic, they have been a real asset to the village.

Litter picking

During 2020 our usual litter picking events had to be cancelled, however residents have been using their daily exercise time to collect litter and improve the environment, our thanks to these residents. Our first date for litter picking in 2021 is **Saturday 19th June 10am-12noon, meeting at Whitchurch Village Community Centre . All welcome**
